

We know that the challenges brought by the pandemic and remote learning will not be resolved quickly, and that next year will be challenging, especially as we address the social and emotional learning needs of our students. To support schools next year, we are excited to announce additions to our online platform and the content available to you.

Coming Soon

NEW CURRICULUM

CASEL-aligned High School curriculum

Bilingual student worksheets (English & Spanish)

Guides for teaching SEL with focus on race, gender, and the LGBTQ+ experience

SEL pre-assessments and post-assessments

IMPROVED FUNCTIONALITY

Redesigned educator portal for easier navigation

Continued expansion of our online resource library

Gradebook within the portal to track student progress

Search lessons by topic within the educator portal

Stay in Touch

We value our school partnerships and hope that you will work with us next school year. To begin planning or to request an estimate of the costs of our program next year, reach out to us today.
