

## New for the 2022-2023 School Year

### COMING SOON TO OUR ONLINE PORTAL

**A search function** to more easily find the resources you are looking for

**Enhanced planner functionality** for easier user experience

**A 'notes' feature** for adding comments to your planner

**Revamped assessment section** for quicker assessment sharing and review of results

**New lessons and educator resources**

## Stay in Touch

We value our school partnerships and hope that you will work with us next school year. To begin planning or to request an estimate of the costs of our program next year, reach out to us today.
